HOT SPRING'S FLAG CHECKPOINT!!

Hello! So just like the title says, this is a book about clearing the hot spring flag's check point. In my comic [Hidoku Shinaide 4] I drew hot spring sex for the extra, but I didn't have enough pages to draw everything I wanted to. So, I ended up making this book. This is the nice thing about being a doujin writer. ♪ This book is just a bunch of lame flirting, but I hope you can read it with a forgiving mindset. For now, I decided to cut out all the parts I drew in the comic, and just draw new scenes. I drew the storyboard for about half of this but the rest, I did on the fly. I wonder if it'll be okay... lolol

I'm sorry to everyone that thought after looking at this cover that it would be another brief-filled story. He takes them off completely... I ended up also making a screen cleaner in the design of a pair of briefs. (For the people who are unaware, this makes no sense...) For now, this book has scenes where you can see how Haya becomes a bit spoiled when he's alone with Nemugasa. I hope you enjoy seeing various unexpected facets to his personality...Kobito-san also told me that I had recently been producing more and more Haya-like lines! Well, I guess it's because we've been together for so long!! This is really nothing but them flirting, but I hope you enjoy it.

Now then, to the actual story.

Thank you for reading. It was really nothing but flirting, wasn't it?
As expected of me. I ran out of steam halfway through the storyboard.
I wonder if this was alright... Actually, during the making of the manuscript, I thought to myself, "I will be very strict on the amendments this time!"
But I also hate making huge revisions to the original storyboard, so I made a very rough draft. During the initial drawing, I didn't want to erase all the sketches completely, so I chose to hide them using the yukatas. While I do think the final product looks rather erotic, my uneasiness towards it is just due to the revisions I've made.

And, the printing office also said they might come and visit... I'm scared!!
They also told me that if I drew my revisions with a darker tone, it'd look more erotic. However, when I finally found a tone I was comfortable with, the seasoning on the rice in the inn looked really weird to me so I just ended up going with a lighter tone in the end... Anyways... I add things to my works as I see fit, but I hope you enjoy it!
(Wait) I'm really glad I chose not to go for a super erotic theme this time. I was getting to the point where all I wanted to do was stay in bed! (¦3[__]
I have been doing nothing but complaining so far, but I really did put a lot of love into this work, so I hope you enjoy it. Well, a lot of this was trial and error. !!!!! Well then, there is just a little bit left to the story now, so please continue reading. I drew it with the idea that they flirt even over the most useless things.

Well, until next time!

They even flirt while shaving...

2013 novelty DECEMBER 30

WHILE I'M STARTING TO GET TIRED OF HAVING TO WRITE THIS, YAHOO! AUCTIONING IS FORBIDDEN!!

I drew this extra during the first week of December. I can tell this story now, a couple years ago, after I had finished my manuscript, I was so pressured by the deadline that I drew these kinds of novelties while throwing up... In hopes that I will never have to go back to those times, I will work hard next year!! Okay!

The Days After Coming Back From the Hot Springs : START ↓

DESPITE PAYING SO LITTLE, THE INN WAS REALLY NICE AND BIG
AND WE HAD A MAID FOR OUR ROOM AND WE GOT TO EAT INSIDE THE ROOM AS WELL!
YUP!
Is there really such a place?
REALLY~? BUT WASN'T IT JUST 10 000 YEN PER PERSON?
NEMU-CHIN, WERE THE HOT SPRINGS FUN?
NEMU-CHIN... THERE'S NO WAY YOU CAN STAY AT A PLACE LIKE THAT FOR SO CHEAP...
NEMU-CHIN, MAYA IS ALSO HANDSOME ON THE INSIDE AS WELL, HUH...
HUH?
YEAH?
Let me see
Look
I TOOK PICTURES OF IT..
Ta-da!

T/N: Roughly $100 USD

KOMEYA Nekota Yonezoh

!!!!
wait...
HE HAS THIS SAME FACE FOR ALL THE PICTURES...
Like he's taking an ID picture. Lol
Hehehe
GUESS THERE'S NO CHOICE. WE'LL GO NEXT MONTH TOO.
All right!
Hokkaido is still pretty chilly, right?
BUT WHEN I SAW HIM IN THE YUKATA, I TOTALLY FORGOT ABOUT TAKING PICTURES— SHIT SHIT SHIT SHIT...
WHAT THE HELL! EVEN THOUGH I WAS LOOKING FORWARD TO IT SO MUCH—!!!!
I TOTALLY FORGOT TO TAKE PICTURES OF HIM IN HIS YUKATA....!!!!
Goddamn-it!!

END

In volume 4 of "Hidoku Shinaide" I drew a rather cool Haya, but in my doujins and extras, I tried to draw a more pathetic version of him. I wanted to show how everyone is the same when you fall in love... I drew that scene thinking about the readers mind process. "Can Nemu really afford that kind of inn... with his part-time job?" I also thought the readers might be thinking that as well. Commerically, I'm going to be starting a spin-off series in the beginning of the year. Haya & Nemu might show up for a little bit, but I am going to take a break from this couple for the time being. "Could it be... that character's..." I know that some of you might have about three different people in mind, and I'm sure that out of those three, one of them is correct hehe. Well then, until next time!!!

THANKS FOR YOU !!
